Dear Mr. McCaffrey:

I am writing to bring to your attention the strong performance that was rendered by Leonard Hungarter, Special Agent, FBI, in the Career Trainee Development Course, the Agency's orientation course for junior professionals. Not only was the content of his presentation on the FBI's counterintelligence mission solid, but his presentation style was also effective. I have attached unedited, student reactions to the presentation. I want to thank you and your staff for your continued support of our program.

Sincerely,

Director
